

SPLASH NEWS SEPTEMBER 2011

Welcome back to the Autumn term with Splash. We hope you have had an amazing summer and we look forward to teaching you and your children over the term.

We have been busy putting together a programme that has something for everyone so please read on.....

FLEXIBLE LESSON TIMES

We have negotiated more pool space at the Stable Club so can now offer more private lessons. So if you are thinking about having a private lesson, one teacher to one, two, three or four swimmers on Monday or Thursday 2.30-6.30, or Saturday 9-1 book now to secure your preferred time by calling [Splash on 01392 833075](tel:01392833075)

If our advertised times don't fit into your schedule, we have the flexibility of lessons at Middlemoor on various days and times, so please contact us to discuss your ideal time and needs.

HOW TO GET 'MUSCLES'

We are often asked about swimming aids and we use a variety, however we think Delphin Aids, or 'Muscles' are excellent. They assist buoyancy and provide confidence when swimming on the front or back. Plus they are easy to use as they don't need to be inflated. This solid foam arm float is tough and durable giving it a long life and use for multiple swims. Splash are now the UK supplier of children's Delphin Aids and we can provide these for a very competitive price, plus if you order online using redeem code **SPL10** we will bring your order to your swimming lesson instead of paying for postage. www.splashswim.co.uk/delphin

HALF TERM FUN 24-30 OCTOBER

Half term is just around the corner and there are opportunities to boost your swimming or try something new. We will be running additional private lessons at the Stable Club, Clyst St. Mary and Middlemoor at the times listed below. Or why not try something new!! Diving lessons....obtain a new skill and experience deep water, a fantastic life skill, plus at 3.5m deep children and adults love seeing if they can touch the bottom! Diving lessons will be running at Middlemoor so please call [Splash](http://www.splashswim.co.uk) or email info@splashswim.co.uk for availability.
